3	You can add your conference hotel you booked direct, during or into your air reservation. It must be included with air, it cannot be added as a stand-alone.
4	Certain airlines (<i>e.g. Southwest</i>) are not combinable with any other carrier, therefore, to book these, you would need to book one-way trips.
5	It's advisable to try to book the same airline throughout your itinerary. However, if you can't, that's okay, we'll issue separate tickets when required by the airlines selected.
